"New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that my self and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your Cheray Pacronas, and since then has onloyed perfect health. My children have several times been cursed from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Carnastic Pills have entirely cured me from a dyapopsia and cociveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affirds, and from any of the numerous rouncides I had taken.
